IMPACT MARTIAL ARTS AND FITNESS

VIP SPONSORSHIP PROGRAM

You are cordially invited to participate in our VIP Sponsorship Program! This unique approach is designed to attract quality people like yourself to our school. We find that the majority of our students are recommended to us by someone who already trains with us…

We greatly appreciate your support and kind words!

HOW IT WORKS

Choose three friends or family members whom you think would enjoy and benefit from our program. Place their names and information on the form below. Then, let them know that you've entered their names to receive a trial membership. Your sponsored guests will receive a FREE VIP MEMBERSHIP and special discounts if they decide to enroll into our Basic Training Program. Anyone that you recommend for this program will be treated with the same first class treatment that all of our students receive.

IN APPRECIATION FOR YOUR SUPPORT

You will receive a token of appreciation just for filling out the form. In addition, you will also receive a VIP $50 GIFT CERTIFICATE, good towards any purchase at our Pro Shop, for each sponsored guest that decides to enroll into our Basic Training Program. There is never a limit to the number of friends you can refer.
